Von Michelin Travel Publications : R.USA West E (Grne Reisehrer) before purchasing it in order to gage whether or not it would be worth my time, and all praised R.USA West E (Grne Reisehrer):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The usual top quality Michelin guideVon kashewWe can't wait to put what we've read into practice. Knowing some of the areas already, the quality seems assured. The format is well know, with a broad area of information contained. Compared to older Michelin guides, this contains actual lodging and restaurant tips. Very good value for the price. Even if one isn't headed out on a trip, it makes interesting reading.

Synopsis An ideal travel companion, this guide provides up-to-date offering suggestions on what to see and what to do in west USA and contains information on the history and the cultural heritage of the country.
